

Giving the Homeless a Home

Help Us Give a Great Big Welcome the Casa View Way!

Casa View is currently welcoming 40 formerly homeless individuals to the Aspen Chase Apartment Complex. LifeNet is a non-profit organization that was chosen by Dallas Housing Authority to provide permanent supportive housing for these people. DHA and LifeNet supply each of the individuals with an apartment, job opportunities, a mentor, as well as mental and physical clinic access. It is the goal of LifeNet to help these individuals gain full rehabilitation and successful integration into society. Help the Greater Casa View Community in reaching LifeNet's goal by providing these people with furnishings and giving them a proper welcome to our neighborhood.

Starting October 16th, GCV volunteers will be manning a collection center every Saturday from 9:00 a.m. to 11:00 a.m. for any items you may want to donate to help our cause. We are also raising funds for any items not met, so a cash donation is always welcome. We are also looking for any volunteers to help load, unload, sort and catalog. Please see the below list for items we are looking to fulfill.
