Our Story

Our mission in creating the Haven's Helping Hands Organization is to establish a community where we can all lean on each other for support in times of need. It is our goal to love each neighbor as we love ourselves, and we can best accomplish this by knowing the needs of our neighbors and serving them well. As people who care deeply about enriching Casa View Haven, the Helping Hands are committed to serving the elderly, disabled, single parents and others who face serious hardships. These services provide neighbors the opportunity to restore their home to meet city code compliance, meet their essential needs, and improve their quality of life in their home. For more information, please contact Justin Barina at jbarina@dallasisd.org or 214.293.4460.

SAN JUAN SUCCESS

The landscaping at this house on San Juan hadn't been touched in more than a decade. H30 spent several Saturdays clearing out shrubs, trees, weeds and garbage for this homeowner to help freshen it up and give it a new look.
