

Soup Swap & Beer Barter

What?

Come be a part of our first social event of the year! CVH's First Annual Soup Swap & Beer Barter is about creating tradition, building community and celebrating good friends and good food!

How?

Bring 6 quarts of frozen or freshly made soup (that freezes well) to swap. Get creative! This can be anything from soups, stews, chilis, gumbos, chowders, etc. Bring 6 copies of your soup recipe. At the end of the social, you'll leave with a variety of 6 homemade soups to help stock your winter freezer. Don't cook? Bring a six pack of an interesting or unusual beer to barter.
